

As part of its regular review of the corporate policies of United States Steel Corporation (the Corporation), on July 28, 2015, the Corporation's Board of Directors approved and adopted certain amendments to the Corporation's Code of Ethical Business Conduct (the Code). The amendments include expansion or additions of certain sections of the Code to clarify the Corporation's policies regarding secure computing practices, export control laws, confidential information, insider trading, compliance with anti-corruption laws, and conflicts of interest. The amended Code also includes other administrative and non-substantive revisions.

The summary of the amendments to the Code included in this current report on Form 8-K is qualified in its entirety by reference to the full text of the Code, as amended, which can be found on the Corporation's website at www.ussteel.com under "Investors – Corporate Governance."

SIGNATURE

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
